

## MICRON XXL

### Description:

This cloth has been made with a highly absorbent fibre that simplifies and speeds up drying after car washing. Quickly absorbs large amounts of water, sliding quickly over surfaces without leaving streaks or stains. Extremely delicate and safe thanks to its silk edge. Its large size makes it perfect for drying even the broadest surfaces.

### Main features:

- Microfibre.
- 70 x 90cm.
- 500 gsm.
- Label-free.
- Dark grey.

### Tips for cloth care:

- Wash with lukewarm or warm water using a mild detergent (we recommend using Tex 1850ml). Machine wash at maximum 30°C.
- Do not use fabric softeners and bleach as they tend to alter the characteristics of microfibre.
- Do not use the dryer and do not iron the cloth.
